About Hope for a Healthier Humanity

Hope for a Healthier Humanity is committed to helping developing nations achieve and sustain improved health care systems. They do so by instituting educational programs and medical training courses in underserved areas, where they establish professional volunteers and help open up efficient allocation networks. They also utilize existing resources both abroad and at home, shipping medical supplies, equipment, and pharmaceuticals to areas in need.

Their outreach includes on-site trips and overseas freight shipments, both of which they are able to accomplish due to the generosity of outside funding and donations. For more information please visit :

About the Course...

This private Club features the challenge of championship golf on a scenic 6,632 yard, par 71 course designed by Jack Nicklaus in 1989 in collaboration renowned architect Johnny Miller. With its beautifully manicured golf course, lush landscaping, and not to mention, the largest and most impressive clubhouse in Monmouth County, Eagle Oaks communicates an exceptional golf experience in every imaginable way.

About the Banquet...

Attendees will enjoy great food, gift auctions and prizes.
