## Women Data Professionals

### Advancing the Role of Women in Data Management

Welcome to EDM Council's *Women Data Professionals* Forum. Both our members and guests are invited to participate in this open interest group.

We are excited about this initiative to advance women in our profession and build an active and effective community.

**Our mission**

The mission of the Women Data Professionals group is to provide support for and promote women in the field of data and assist in their development and promotion to more senior roles.

#### Join the Women Data Professionals Forum

ALL are welcome to join and participate – women and men alike.
